# Welcome

ON BEHALF OF THE JKE PAC

## WELCOME TO JAMES KENNEDY ELEMENTARY!

### Q: What is the JKE PAC?

A: It is the voice of parents and guardians that represents our school to the district. Composed and managed by volunteer parents, just like you, who are looking to enhance the school experience for their students.

# JKE PAC NEEDS YOU!

### Q: Why should I consider joining?

A: You are already a part of the PAC, but you can make a bigger impact by being part of the executive team. By bringing new ideas and fresh voices, we can make the next school year the best it can be.

### Q. I don't have any PAC experience and don't know what to expect.

A: You do not need experience.

- Come with your interest and love for our community.
